Dear *Shri Krishna Prasad ji,*

Sub : Jeevan Pramaan – Digital Life Certificate for Pensioners – Regarding.

I am very glad to know about the wonderful relationship Chennai Port shares with M/s.NIC, Chennai. M/s.NIC is providing software and support services to the Port with respect to the Port Operation and Management System Module, e-Procurement system and Video Conferencing. During the various interactions, it has been inferred that the Defence Service Pensioners have been provided the facility of Jeevan Pramaan, thus helping them to furnish their Life Certificate online without requiring their physical presence in the Defence Offices.

Chennai Port has 14,943 Pensioners as on date comprising of Pensioners, Family Pensioners and Ex-Gratia Pensioners. The Pensioners are directed every year to submit their Life Certificate in the month of November to the Pension Office, either in person or by post with due certification by the Banker through whom Pension is disbursed or Medical Practitioner in case of immobility of the Pensioner.

One of your Officers Shri V.B.Ganapathy, Principle Systems Analyst has given a briefing on Jeevan Pramaan to our Port Officers. The Port proposes to

NIC-TNSU

cc: DOG (R Gen)

embark on Jeevan Pramaan for Pensioners who are holding an Aadhar Card in order to help them submit their Life Certificate in the digital method, thereby making it easy for Pensioners to submit their Life Certificate. This will also help the Port as there will be a reduction in the number of Pensioners who visit the Pension Office in the month of November for furnishing Life Certificate.

Hence, I request your goodself to do the needful to help Chennai Port digitize the Life Certificate to be given by the Pensioners. I also request you to organize a camp at the Port Premises for enabling Registration of the Pensioners during the month of November 2015.

With regards,

Yours sincerely,

(Cyril C. George) 3/3
